# Crabwall Manor Hotel

Crabwall Manor Hotel sits in a peaceful setting in the beautiful countryside of Cheshire, near the historic city of Chester.

Our team have many years experience in sympathetically arranging personal events where friends and family can gather together to celebrate the life of their loved one.

We offer a wide range of menu options, whether you wish to serve an informal buffet, afternoon tea or a private dinner, we'll ensure all your guests are catered for.

Our team is on hand to offer help and support during this difficult time. We can offer guidance on any extra touches you wish to make, from areas to display cards, flowers, memory books and also playing their favourite songs.
