Your Perfect Wedding Begins Here

WEDDINGS AT CRABWALL MANOR

Your Ceremony

We know that saying “I do” is the heart of your wedding day. Every couple is unique, and no two ceremonies are ever the same, which is why we give you the freedom to shape yours into something truly personal and memorable.

The Right Setting

The Lyle Suite, licensed for up to 70 guests, offers an elegant and intimate backdrop. The Conservatory, licensed for 70–100 guests, provides a light-filled space with stunning views.

For a romantic summer celebration, you may also choose to hold your ceremony outdoors on our picturesque lawns (available May–September). As the British weather can be unpredictable, a final decision is made on the day of your wedding. If the ceremony cannot take place outdoors, it will seamlessly move indoors.

You'll be supported every step of the way

- A dedicated wedding coordinator to guide you through the planning process.
- A personal wedding host on the day itself to ensure everything runs seamlessly.
- Private room hire for your pre-ceremony interviews with the registrars.

Please note that it is the couple's responsibility to book and pay the registrar directly through Chester

Registry Office via their online booking form at www.cheshirewestandchester.gov.uk. Crabwall Manor cannot accept responsibility for this.
